Value of State's share of employee's retirement: 15.3% of pay

JOB DESCRIPTION: This is structural craft work in the maintenance, repair, and rebuild of heavy vehicle, automotive, and construction equipment. Work includes diagnosing mechanical and electrical problems, evaluating overall condition, and performing skilled technical tasks in testing, installing, repairing, rebuilding, rewiring, replacing, and fabricating parts for the maintenance, repair, and rebuild of a variety of heavy vehicle, automotive, and construction equipment. This classification is differentiated from the Automotive Mechanic classifications in that the work performed is primarily focused on the maintenance and repair of a wide variety of heavy vehicle and construction equipment or the complete rebuild of vehicles in a Rebuild Center, with a very limited amount of time spent working on light automotive equipment. Work is performed under general supervision.

MINIMUM QUALIFICATIONS: Four (4) years experience, education, and/or training in the maintenance, repair and/or rebuild of automotive and/or construction equipment, including two (2) years of experience working with heavy vehicle and construction equipment.

KNOWLEDGES, SKILLS, AND ABILITIES REQUIRED: Technical knowledge and experience in hydraulic pumps, motor hoists, cylinders, control valves and circuitry. General experience in heavy construction equipment related to power steering, transmissions, final drives, power and air brakes and diesel engines. Ability to troubleshoot and repair mechanical, electrical and hydraulic failures/problems in a variety of vehicles and mechanical equipment. Good working knowledge of manual and power tools of the trade. Have the ability to follow instructions and be able to work with other employees. Be willing to follow safety directives both present and as modified in the future by the Department.

LICENSING/REGISTRATION/CERTIFICATION REQUIREMENTS: *(These must be met by all employees prior to attaining permanent status in this class).* Must obtain a State of Maine class B CDL with air endorsements and Class A & D inspection license as a condition of successfully completing probation. Some positions may also include Class E inspection license requirement.

NECESSARY SPECIAL REQUIREMENTS: Pass State paid Medical examination that includes a drug test and the Department's Respirator fit test and the driver examination and road test for the assigned equipment. Be willing to work any hours or any time, and any day, including holidays, as required, as driver, operator, or at manual labor as required. Have a telephone at place of residence. Employees in this class, as a condition of employment, must on the initial day of employment provide and wear safety boots while in work status, which meets the ANSI standard and which are at least six (6) inches in height.

APPLICATION PROCESS: Qualified candidates must complete a Direct Hire Application and a Crew Supplemental Form to: **Maine Department of Transportation, Sonya Fuller, Human Resources Specialist, P.O. Box 817, Dixfield, Maine 04224-0817, (207) 562-4228**, which must be received no later than 4:30 p.m. on the closing date listed above. The Direct Hire application, Crew Supplemental, and additional information concerning this posting can be found at <http://www.maine.gov>

PLEASE LIST BULLETIN NUMBER ON PER-1 AND PR 6 WHEN APPLYING FOR POSITION.
